

SKULLS AND CROSSSBONES – a game for 2 scuttling sea rats

- ❖ Print this and the next page single-sided
- ❖ Each sea-rat needs a stash of 8 skull or 8 crossbone counters
- ❖ Put on yer eye patches and say 'Arrrr me hearties'
- ❖ Each sea rat takes it in turns to lay one counter on the board. The first to have 4 counters in a line – straight across, up and down or diagonal – wins the treasure chest!
